Student Legal Aid
There have been changes to our Student Legal Aid.
We want to welcome Evan McCarthy, the new staff attorney who will be based at Milwaukee Area Technical College. The Student Legal Aid project partners with the statewide project Lawyers for Learners to help low-income students eliminate legal barriers to employment and education. He will be working closely with students and pro bono attorneys on expungement, driver’s license recovery, and pardons. The SLA recently received a thank you from a client who had successfully received a pardon. She was able to graduate from Madison College and is now working in her field.
